

Ecoflam

To whom it might concern

Resana, 13th June 2019

Reference letter from **Ecoflam Bruciatori S.p.a. Italy**

The **Ecoflam Bruciatori S.p.a.** is one of the largest manufacturers of burners. Our products are well-known in various countries all around the globe.

Our company cooperates with Buran Boiler LLP throughout the years with great success. For the past years Buran Boiler LLP is working with us and their services were impeccable. They proved reliable and stable company that improving reputation of our burners in Kazakhstan region.

Above that, they were reasonable and easy to work with due to their excellent interpersonal skills and non-ever compromising results.

Our doors are opened for them to work with us again and again.

Best regard

Export Area manager

Mr. Filippo Meneghini
